

Alaska Dogs Gone Wild Flyball Club

Alaska Dogs Gone Wild was created in October 2004. Our main goal is to have fun with our dogs. We are the first club in Alaska, and we are working toward promoting competitive flyball around the state. Our first flyball tournament took place in June 2006.

What is flyball?

Flyball is a fast-paced and exciting sport with teams of four dogs that compete in relay races. Each dog jumps over four hurdles, triggers a spring-loaded box, catches a ball, and returns over the hurdles.

Who can play flyball?

Anyone can play flyball, and just about any dog can play flyball, regardless of size or breed (including mixed breeds). It is a great team sport that can involve friends and family, including kids.

How can I get involved in flyball?

Visit our web site or contact us about beginner training opportunities, or information on how to start your own flyball club.
