

Line and Box Judging:

First, thanks to everyone who will be helping with line and box judging! We couldn't put on a tournament without you!

- Line judges **will** be writing the times on the racing sheets.
- If you find that you will be unable to fill a seat during your assigned judging slot, please let me, Dawn Smith or a current table worker know so that we can find someone to take your place.

Racing:

- We have planned for a fun, relaxed tournament with lots and lots of racing – especially on Saturday!! Of course, promptness is always appreciated.
- We will begin with **2 minute warm-ups** for every race on both Saturday and Sunday.
- We will break for a 30 minute lunch **on Saturday only**.....

Awards & Timeline: Remember that this weekend is 2 separate tournaments. The timeline for Saturday and Sunday with measuring and captains meetings will take place. Be expected to have a captain's meeting on Sunday as well so we can let everyone know how things went on Saturday and how we can work together to work out problems to avoid them on Sunday. Awards will be given out both days.

Crating: Things may be a little tight with the number of clubs here – double stacking crates would be appreciated if you can make that work in your area.

Bathrooms & Concessions: Both are located in the small building just to the south of the Arena.

Drinking: No alcohol is allowed on the premises

Parking: Parking is allowed on the north, east and south sides of the building between the two complexes. Please do not block off any of the bay doors or regular doors

Special Events:

- Raffle – Texas Twisters will have a raffle on Saturday and Sunday. Come check out the wonderful raffle items!!

Poop Area: The poop area will be located just to the west of the building in the grassy area. If it is raining, a special place in the covered area on the north end of the building will be made to avoid picking poop up in the rain.....YUK.....

*** According to the people in charge, with whom I get the reservation through, we as flyball clubs have a great reputation as we have used the facility these past few years! Lets keep it up and be considerate of what's theirs by picking up after your dog and yourself. ***

We look forward to seeing everyone!

Tournament Scoring

Tournament Points

The winner of each heat will receive one tournament point, and the winner of the majority of heats in a race will be awarded an additional two bonus points.

Heats ending in a tie will result in each team receiving $\frac{1}{2}$ of a tournament point.

If neither team wins the majority of heats because of a tie, there will not be an extra heat ran, but both teams will split the 2 additional bonus points.

If neither team wins the majority of heats because of a double loss in one of the heats, there will not be an extra heat ran and neither team will receive bonus points.
